
About The Scholarship Fund

The original idea was to give a young man a scholarship to attend Brother Rice High School. Through your generosity it was possible to go above and beyond our initial expectations. Over the last nine years the fund has raised over \$ 135,000.00.

Because we exceeded our goal for high school scholarships, contributions were also awarded to Catholic Charities, American Cancer Society, Juvenile Diabetes Association and the American Heart Association. Your contributions, participation in the golf event or the silent auction made this possible.

We would appreciate your help again this year by participating in the outing, joining us for dinner, as a hole or event sponsor or with your generous donations of silent auction articles. Please help us to make this event a great success again this year.

Any donations, merchandise or monetary donation would be greatly appreciated.
