

# John Hosty Crusader Award Annual Scholarship

The amounts of the five awards are determined yearly by the Brother Rice Dad's Club.

**Qualifications:**

1. 3.0 Cumulative GPA.
2. Performance of Community Service Greater Than The School Requirements.
3. Member of the Junior Class, In Good Standing.

This Award is named for John Hosty, one of the founding and driving members of the Brother Rice Dad's and Alumni Dad's Clubs, and the inaugural inductee into the Dad's Club Hall of Fame. If you spend any time at Brother Rice, you will see the Dad's and Alumni Dad's at work. You can see them working at football games, basketball and volleyball matches, wrestling tournaments, track meets, Catholic League events, IHSA and grade school sporting events, open houses, parent nights and school fundraisers. Members of the Dad's and Alumni Dad's have also been inducted into the Brother Rice High School Hall of Fame as well.

John Hosty became involved with the Dad's Club when his son was a student here and felt that it was important to support the school in any way he could. John believed that giving one's time to support and serve Brother Rice was important. That is why even after his son graduated, he continued his work supporting the school. He put even more time at Brother Rice after he retired and was a fixture in the kitchen, concession trailer, or snack shop; whenever "We Were Open." John believed others should help as much as he did as well and that is why he would do everything possible to bring as many fathers into the Dad's Club at Brother Rice to help out.

These awards are named in John Hosty's honor. There is no one in the history of the school who gave as much of his time and effort to support this institution that we call Brother Rice High School.
